Getting Ahead in a Just-Gettin'-By World

Getting Ahead in a Just-Gettin'-By World is a research-based workshop developed by Dr. Ruby Payne and Phil DeVol. Based on the Bridges Out of Poverty concepts, the overarching idea is that **under-resourced people are experts in their own situation.**

The prerequisite for prospective Getting Ahead facilitators is completion of the Day 1 and 2 Bridges out of Poverty workshop.

ABOUT

Become a Getting Ahead™ facilitator and support under-resourced individuals to:

- Take charge of their lives
- Complete a self-assessment of their own resources and make plans to build them
- Develop a series of mental models to examine their own lives and create new future stories
- Help stabilise their lives
- Investigate the impact that lack of resourcing has had on themselves and their community
- Use this information to build resources for a better life and community

You will qualify to become a registered member of the international Getting Ahead Network.
